Dr. Cuts gets major Lions award

St. Albert's "Doc" Bill Cuts has been awarded a top Lions International award, the diamond studded "Key of Nations" for attracting over 100 new members into Lions Clubs in St. Albert and the Edmonton area.

The award was presented at the annual mid-winter Lions International multiple district 37 conference January 24 in Missoula, Montana.

Dr. Cuts received a standing ovation when he was presented with the key, a replica and a certificate from the International Director of Lion's International at the conference. Seven hundred Lions from Montana, Alberta, the North West Territories and the Peace River block attended the conference.

A re-run of the Missoula presentation was held at the

regular Breakfast Lions meeting in the St. Albert Community Hall January 27.

Attending confirmation of the ceremony in the U.S. were District Governor Lyn Hall, the international representative from Fort Saskatchewan Rudy Rippel and the past district governor Rock Holman. Also present was St. Albert MLA Ernie Jamison.

Dr. Cuts is one out of 133 Lions members across the world who have been honoured with the key of nations, out of a total Lions membership of over one

million in 148 countries.

Just before the presentation in Missoula, Dr. Cuts was presented to the International Director by District Governor Hall during the official banquet and ball marking the conference.

Dr. Cuts is deputy district governor for region two district 37B.

Dr. Cuts said that the trip down to Missoula was very enjoyable and it was nice to see rivers of "running" water. A large party of Lions took a charter bus January 23 to the conference. Six members

DR. BILL CUTS proudly displays the Lions International "Key of Nations" award with which he was presented at the annual winter conference for multiple district 37 in Missoula last week. The key is an award for attracting more than 100 new members into Lions Clubs. There are only 133 members in 148 countries who hold the award.

Teachers describe social study courses for Catholic Board

Social Studies occupied a major portion of the evening open to the public at the meeting of the St. Albert Catholic School District No. 3 on Monday, January 26. Attitudes and value judgements were the main interests of the board.

Two teachers, both from elementary schools, attended the meeting to present their programs for social studies in their respective grades. Mr. Ibach, a grade 6 teacher, spoke on value judgements in ancient civilizations. Mrs. Prefontaine, a grade 2 teacher, spoke on neighbourhoods and neighbours.

The grade 6 students

being taught by Mr. Ibach are undertaking a study of the civilization of ancient Greece and comparing it with our civilization of the present day. One example given for value judgements was that ancient Greeks believed that the act of stealing was fine to be caught doing it was wrong. Students weigh the pros and cons of this outlook and make a judgement.

Mr. Ibach's class had produced a play on ancient civilizations. The students decided to make life-sized chariots from cardboard and they elected leaders from among themselves. From

Condominium owners to fight town

St. Albert is going to come under more pressure from condominium owners to reduce their tax burden in future years.

About 45 people turned up at a meeting last Sunday night designed to take the fight to the town on the issue.

The meeting was held at the Grandin Village Recreation Centre spearheaded by chairman of the Grandin Condominium Board Gerry Moran.

Mr. Moran claimed that St. Albert was getting \$4 million more than it should from condominium owners and said "We do not want to subsidize single family dwellings (in St. Albert)."

He claimed that people living in condominiums in other communities got a split mill rate and the Grandin Condominium Board was now going to educate other condominium owners about a more even tax contribution to St. Albert.

A spokesman for the Town of St. Albert pointed out that condominium owners were not treated any different from single family dwelling owners. There was the same mill rate for both.

Mr. Moran said there were about 430 condominium units in St. Albert and the upshot of the meeting last Sunday night was that owners should be educated into a new approach towards town council on their tax issue.

Mr. Moran said he pays up to \$600 taxes a year to the town and for less services than the average single family unit. Mr. Moran explained that the 209 condominium units at Grandin Village 1 were bringing in the town \$70,000 more than say 66 single family units would in the 17.5 acre

spot. Mr. Moran hopes there will be another meeting with St. Albert condominium owners next month followed by a public forum with town council.

Super winter carnival planned

Sleigh rides, beer bashes, parachute drops, lots of hockey action and dog sled races are just some of the exciting events you can take in at this year's second St. Albert Winter Carnival February 13 - 15.

The carnival will get off to a bright start with a torchlight procession 7:30 p.m. at the Lions Park. The procession will make its way from that point to the bonfire site near the Sturgeon River where the carnival will be officially opened.

Among the dignitaries at the opening will be the Lieutenant Governor Ralph Steinhauser, Mayor Dick Platin and MLA Ernie Jamison.

St. Bernard dogs will pull the dignitaries to the opening.

Local Boy Scouts will sell 50 cent torches to those taking part in the carnival when it starts at the Lions Park.

When the bonfire is lit, the Nordic Ski Club will demonstrate their prowess when they zoom down to the fire from just below the Roman Catholic Church.

The first day of the carnival will end with a beer bash at the Club Mocombo - 8

p.m.

February 14 - St. Valentine's Day - will start off bright and early for carnival

fans at the St. Albert Arena 7 a.m. - 9 p.m. There'll be lots of hockey action with a media Please Turn to Page 2

Big RCMP crackdown on traffic offences

St. Albert motorists beware.

Starting February 1st, RCMP in St. Albert will show no mercy for people driving motor vehicles with faulty equipment.

St. Albert's local constabulary is calling it Operation Crackdown. Through the media, the RCMP is giving local townsfolk ample warning to fix those burned out headlights before the police start ticketing offenders.

While faulty equipment is going to come under close police scrutiny, other offences are going to be given special attention as well.

Not only will drinking drivers come under the watchful eye of the law, but less offences, such as failing to signal lane changes, also will be checked.

It's a hard line approach to traffic safety and no warnings will be issued by the

police. Sgt. George Siemens of the St. Albert RCMP highway patrol said people are not heeding warnings and thus no second chances will be given during operation Crackdown.

"We've noticed a considerable increase in the number of motor vehicles travelling in the St. Albert area that have faulty equipment," said Sgt. Siemens.

He said a large number of accidents have occurred involving vehicles with faulty equipment and added that people appear unwilling to make the necessary repairs. "The objective of the program is to reduce accidents and save lives," said Sgt. Siemens. All members of the St. Albert highway patrol have instructions to zero in on offenders.

Sgt. Siemens hopes the Please Turn to Page 2

game, minor hockey, a figure skating exhibition and a hockey game between Paul Kane and the St. Albert High School.

There'll be lots of action in the afternoon starting 1 p.m. with a weight pulling contest by the St. Albert Dog Fanciers Club. This will take place in the river area across

from the Lions Park.

A main feature of the carnival will be the dog sled races which were such a success last year.

They will take place on the bonfire site and go out towards Big Lake at 1 p.m. Saturday and Sunday.

At 1:30 p.m. the St. Albert Nordic Ski Club will be

putting on cross country ski races.

At 2 p.m. there will be a Canadian Armed Forces parachute drop - weather permitting - and they expect to drop on target below the Catholic Church on the north side of the river.

Also at 2 p.m. there will be a kiddies carnival on the Sturgeon River.

Then later Saturday night - no details on the time are available yet - the St. Albert Lady Lions will hold their annual Sweetheart Ball at the Club Mecombo.

Saturday at the carnival will finish with a bonfire and skating party for St. Albert high schools, sponsored by the Kiwanis commencing at 9 p.m.

The final day of the carnival February 15 will commence at noon with river skating to music. This will be followed at 1 p.m. by snowmobile races at McKenney Avenue and Dawson Road.

Also at 1 p.m. till 5 p.m. the St. Albert cross country ski club will take a "Citizens Tour" from the Sir Alexander Mackenzie School and this will be open to anyone with skis.

It is expected that the Canadian Armed Forces will make their drop again at 2 p.m.

And last but not least the St. Albert and District Chamber of Commerce will sponsor horse drawn sleigh rides near the Sturgeon River - 2 p.m. Saturday and Sunday for a nominal fee.

It should be noted that all parts of the above schedule

are subject to change according to publicity manager for the carnival Joe Jones.

ICE AND SNOW SCULPTURES

And for those who have a talent for ice and snow sculpture, the St. Albert Lions Breakfast Club has sponsored a special feature in this line for the carnival.

The ice and snow sculpture contest will be open to all schools and school groups. Entry forms from each school should be in the hands of the judging committee by February 6. They should be sent to the following address: John Kaminski, Vincent J. Maloney school.

Sculptures will be judged on originality and workmanship and there will be two competitions. Judging will take place February 10 from 12 - 2 p.m.

There will be both junior and senior categories in the contest.

Trophies will be presented to the winners in each category, and other entries will receive certificates of recognition.

The ice sculpture committee hopes that sculptures will be built in a prominent spot on school grounds. Permission has been granted to build sculptures on the crest of the Town Hall grounds if schools wish to do so.

"Citizen" night looks great

Guest speaker at the Chamber of Commerce Citizen of the Year banquet on Saturday evening will be Mr. Bill Bagshaw who will also comment on a slide showing

on his topic "Commonwealth Games - You and I." Mr. Bagshaw is one of the five vice-presidents of the Commonwealth Games and his half-hour presentation is

reported to be especially interesting.

Highlight of the evening will be the citation and naming of the 1976 Citizen of the Year, being looked after this year by Dr. Wm. Cuts.

Mr. Bob Arnold will be putting it all together and keeping things moving as master of ceremonies and a dance will follow the banquet program.

Tickets should be picked

up before Friday noon and they are available at a number of business places downtown, at Grandin Mall and Riel Drive; Lawyer Bill O'Neil, the Royal Bank and Sturgeon Electric have them on Perron Street, Frank Scott Rentals on Riel Drive and Hutching's Shoes, Emery's Pipe Shop, Grandin Bakery and Manager Bill Tchir at the

TD Bank.

This should be a night of fine entertainment all around and a good pick-up from the post holidays doldrums. So get your tickets and plan to take your favorite lady out to the Club Mocombo Saturday evening. The party starts at 6:30, with banquet at 7:15 and dancing from nine o'clock on.

School Board Briefs

The Board of the St. Albert Catholic School District No. 3 has revised the system for long service awards. On Monday, January 26, the Board decided that awards will be made for the following years of service: 15, 20,

25 and 30. The awards are respectively: a long service pin and scroll; one hundred dollars or an equivalent gift and a scroll; three hundred dollars or gift and a scroll; five hundred dollars or gift and a scroll.

POSSIBLE FUND RAISING PROJECTS

Trustees were asked to consider a fund raising project involving the Knights of Columbus and school students. It would centre around

a campaign for selling or renewing magazine subscriptions but it would not be a door to door selling venture. Students would be asked to take a letter home giving details of the various magazines available. Any renewals or subscriptions sold by the students would realize a profit of between 25 to 50 percent of the cost of the subscription and this money would go to the Knights of Columbus and students for youth-oriented programs within St. Albert.

Trustees agreed to peruse the literature on the subject and to bring the matter up at the next regular board meeting.

Chairman Steve Sieben announced that the annual meeting will take place on Wednesday, March 17.

BAND

Fourteen members of the VJM concert band spent the weekend polishing their playing skills at a band workshop in Westlock. The workshop was made up of musicians from Swan Hills, Barrhead, Westlock, Athabasca, and VJM. They had clinics and rehearsals led by some of Edmonton's best known musicians, a dance on Saturday night and a concert, with three bands playing 11 pieces of music they never seen before Saturday morning. Over a hundred students were involved and they had a really great time. We were particularly proud to have three of our players make the stage band.

RECREATIONAL SKIING

For the past two months the students and staff of VJM have been involved in ski outings at Lake Eden.

Kinettes thank Christmas Hamper contributors

The Christmas Hamper Bureau wishes to express their sincere thanks for your contribution. This thoughtfulness assisted greatly in helping those families in our community who may otherwise not have had a very happy Christmas.

We in the Kinette Club find this a most rewarding project and its success depends entirely on donations from concerned citizens,

businesses, schools, churches, clubs and organizations in our town. You might be interested to know that this year we packed and delivered 52 hampers.

We do hope that contributing so generously your Christmas has been more meaningful as well.

Suggestions on recreation needs

ignored by council?

The current trend seems to be split facilities spread throughout the community. As St. Albert has three natural geographic areas, planning should concentrate on supplying some facilities to each of these areas. A possible plan would be to develop a modular building and build parts of a total complex in each of the areas. By doing this each of the three areas, would receive some facilities; the whole of St. Albert would receive several facilities; and when finances were available, more facilities could eventually be added to each area to complete the module giving each area a recreation centre. This perhaps could be completed without ignoring the total recreation picture in St. Albert.

When a community such as ours is planning to spend such an enormous amount of money on facilities perhaps more effort should be spent in finding out what the community really thinks. Perhaps conventional means are no longer adequate. I truly hope that because our elected officials had their fingers slapped, they will not hesitate to dig in, find out what people want, and immediately proceed toward that end. Perhaps if it is done right, much time and energy will be saved.

R. D. Kircstin,
Forest Lawn.

Curriculum should stress important skills

In this week's Gazette, there was a questionnaire regarding education. It seems to me that over the last decade or so, the schools' curriculums have been getting more and more abstract and less and less oriented to the real life needs of the children they are teaching. Personally, I feel that they can add in as many options as the budget can stand but there are two very, very important skills that I do not believe the schools are emphasizing nearly enough. They are:

1. to read; to do it well and to like it; to be challenged by a thick book rather than turned-off, and

2. to be able to express oneself, both in writing and in person (to just one person or to many in a formalized situation).

These skills, well-learned, will provide any person with the means to develop their potential to the fullest. These skills, not learned or developed only to the minimum level which a high school diploma requires, could be the cause of possible great talent totally wasted. Without the ability to read well, a person will have only his own experience and the experience of the very few people he will come to know during his lifetime to draw upon. With this skill, he has the knowledge of the world at his fingertips. Without the abil-

ity to express himself, no one will ever realize the genius that might lurk within. A revolutionary idea ... an all-encompassing theory ... a born leader ... What good are they if this person lacks today's skills in communicating? And in a great many situations and especially in secondary education, he must rely very heavily upon written communication, a rare skill in high school graduates as many statistics on the semi-illiteracy of first-year university students will indicate.

I would also like to add that only a small percentage of geniuses (financial wizards, Einsteins, etc.) do well in school. Schools must be oriented to these people as well as to the very slow for 90% (my own figure) of the world's intellectual wealth are provided by them and the only things which they will require other than themselves is the ability to read and the ability to express themselves. They do not even have to know how to add two and two for, after reading the directions and for less than \$20, they can purchase any adding machine which can tell them the answer to problems which take years for them to learn in school.

T. Wintingham,
Grandin Park.

gazette thoughts

The Native Council of Canada did the whole country good when it sent a letter to the Queen telling her it was OK by the native peoples of Canada if she wanted to come and open the 1976 Montreal Olympics.

After all, when the gists of the letter, the French and English were made welcome two hundred odd years ago and the same welcome is extended to the Queen.

This kind of puts those Quebec politicians to shame, who felt their national status was offended by the upcoming visit of the Queen to Quebec.

Perhaps those politicians should have reflected for a moment before telling the Queen she wasn't welcome. If a Canadian is to open the

Games, perhaps it should be an Indian in full tribal outfit, feathers and all, or an Eskimo in a swell northern parka.

The lessons of history sure make one think. Here we are back in a period of severe inflation and just coming out of the worst recession in a long time with the governments telling us to tighten our belts.

Back in the 1930s, again a time of depression, presumably the same messages of restraint were going out.

No long after that, the big governments of the world blew about \$800 billion of taxpayers money on the Second World War - a futile exercise in destruction.

Let's hope that history does not repeat itself.

Blizzard causes road havoc

Two people were injured slightly and \$12,255 damage was caused in a 12 car pile-up on the Morinville overpass (Highway Two) at 4 p.m. January 23.

The pile-up occurred due to poor visibility and blowing snow.

The bad weather also affected traffic on Highway

28 near Bon Accord and a number of vehicles were reported in the ditch by RCMP.

Injured in the Morinville overpass pile-up were 18 year old Harry Pon of Barrhead and Wallace Schad 22, of Radville, Sask.

They both suffered minor lacerations in the accident.

February is Heart Month

On Monday, January 26, Mayor Plain signed a proclamation declaring February as Heart Month. From left to right are: Clara Maier, service chairlady, Kinettes, Judy Kolbus, Heart Fund chairlady, Beta Sigma Phi, Diana Speake, Heart Fund Chairlady, Kinettes, Mayor Plain, Marg Broten, Beta Sigma Phi and Linda Stewart, president Kinette Club.

February is 'Heart Month' and on February 16 canvass-ers will be asking Albertans to "Give to your Heart's Content."

The 1976 Alberta Heart Fund objective is \$600,000 compared to \$523,367 received during last year's drive.

In Alberta, over 70 towns, cities and villages are holding campaigns during February to raise funds to enable the Alberta Heart Foundation to continue its sponsorship of heart research and professional and public information programs. These funds are raised with the aid of Heart Fund volunteers, service clubs, fraternal and church groups and hospital auxiliaries. Often one person, in a small centre, will be responsible for canvassing in their town.

During 1975-76, \$482,000 is supporting 34 Alberta doctors working on heart research projects in the province.

Alberta heart research and surgical techniques have a growing world-wide reputation for excellence.

If you are interested in serving as a canvasser in the St. Albert area please contact Diana at 459-8837 or Judy at 458-0772.

At the whist party held at the Senior Citizens Recreation Centre (north of the curling rink) on Tuesday afternoon, January 27, Mrs. E. Liptak and Mr. E. Laplanie were the first prize winners with consolation prizes going to Mrs. Martin and Mr. P. Morin. The next card party will be held on Tuesday, February 10 at 1:30 p.m.

Tuesday, February 3 is

bingo day again when the Kinsmen run a bingo in the Centre at 7 p.m.

For information about the weekly bowling program, phone Mr. Liptak at 459-6568 or Mr. Borle at 459-6215. Members of the club bowl on Thursdays from 9:30 - 11:30 a.m.

The Centre is open from 7 - 9 p.m. on Mondays and Wednesdays for dropping in to play pool or cards, to

read, watch television - or sit and talk.

Anyone wanting to donate clothing and household articles for the rummage sale which will be held sometime in the spring should leave them in at the Centre any time it's open.

this exercise, leadership and the ability to follow directions was learned. The leaders learned how to delegate work.

In response to questions, Mr. Ibach advised the board that the majority of resources reading material for social studies does not make value judgements. It merely states the facts and students make their own evaluations.

Mrs. Prefontaine's grade 2 students are discussing and enacting neighbourhood events in their program for social studies. One discussion dealt with the arrival of new neighbours; how they must feel in a new and strange community and how the older established residents can help the new-

comers overcome the problems of settling in. The students used their own experience of settling in to evaluate the feeling of the newcomers.

The grade 2 students have learned about the physical boundaries of neighbourhoods and of differing customs which their neighbours

may have at Christmas. Presently they are studying community workers and their impact on the community. Future studies will include: volunteer workers; big city neighbourhoods; farm neighbourhoods; neighbourhood planning; how neighbourhoods solve problems; exploring Canada.

use a stalling action," said Mr. Moran. " - for three years Grandin has been approaching the town informally and there is no feeling the town will do anything."

He added that the people at last Sunday night's meet-

ing had decided to pay up to five dollars each financing literature and publicity about their plight.

On the subject of the \$4 million taxes which the Grandin and other condominium owners are paying the town, Mr. Moran said, "they (the town) would have to redistribute it (the tax load) and they'd have to find the \$4 million elsewhere."

"We do not want to hide anything and we haven't hidden anything yet," he added.

The spokesman for the town said that council have prepared a report on this issue and they will meet the people on it.

However the spokesman said that single family owners might well be up tight about the action that condominium owners were taking.

Mr. Moran said that if the town did not show at a public meeting then his board would have to go through the courts.

SUPPORTING WORLD MISSIONS THROUGH THE
SOUTHERN BAPTIST CONVENTION

Community league organizers need your support

On Wednesday evening, January 21, a group of about 50 concerned citizens met to learn about and discuss the possibility of forming a community league in St. Albert.

The meeting was organized by a steering committee, chaired by Shirley Riedmueller. Other members of this group are: Sharon Ainslie, Lauren Morling, Joanne Symmonds and Doreen Rowe. Guest speaker was Arlene Meldrum, president of the Edmonton Federation of Community Leagues. Doraine Fogg, June Fodchuk and Betty Squair, each a contributor to their own leagues in Edmonton, assisted in describing how community leagues worked.

Resource guests included Rein Selles and Bernie March of St. Albert Parks and Recreation, Bonnie Childs, who teaches Keep Fit classes, Joan Gaunce, community school co-ordinator, and Barry Cooper, executive assistant to the Commissioner of Public Affairs, Edmonton, and district recreation director.

The steering committee was formed as the result of a meeting of neighbour people, who were concerned about the lack of playgrounds, creative play facilities, equipment, space and the development of ravine areas and school grounds. Through the community league concept they hoped to acquire the organization to solve these problems themselves.

The members of the steering committee felt that St. Albert had three natural areas, Lacombe-Mission, Grandin-Downtown, and Braeside-Forest Lawn-Sturgeon and each of these could be served by its own community league. In this way each area could provide neighbourhood programs close to home. It was also felt that the schools and their facilities in each area should be used to the fullest extent.

A community league would be set up to work with the established Parks and Recreation Department, not in opposition to it. It would serve as a compliment and an extension of existing and future town plans. The

league should provide programs, desired by its members, which are not already organized. For example, social and family activities, additional sports, workshops and training sessions could all be handled by a community association.

After the group discussion of the value of community leagues the audience was divided into three groups, one for each of the areas

previously discussed. These groups tried to determine what activities and projects they felt were important. Although opinions and priorities varied most people felt that further discussion on the matter was essential before any positive action could be taken. About 21 people were willing to serve as volunteers on a committee and help the original organizers develop the concept further.

Decorating Tips

CARPET BARGAINS?

How does the consumer know whether an advertised carpet, or any carpet price, is a bargain?

By getting a written price quotation which specifies the manufacturer's name, the quality, the colour, the grade of carpet (first, second), the underlay, and installation for the specified area.

Price per yard for material is not a good guide for price comparison unless the purchaser is doing the installation. Carpet, underlay and installation all have a price range. The total price should include all costs except those specifically excluded on the contract.

Compare the total installed price for specified quality and room area.

Bruins now fourth in Capital League

St. Albert Junior Bruins split a pair of games over the weekend, losing 3-2 Friday to Enoch Tomahawks and winning 7-5 Sunday over third place Stony Plain Flyers.

The win over the Flyers gives St. Albert 27 points, one more than Leduc Riggers in the fight for the final playoff spot. Both teams have played 29 league games and have seven left to play.

Bruins remaining games are with Stony Plain (2), Westlock (3), Leduc and Sherwood Park.

Friday night Bruins held a 2-1 lead over Enoch with less than two minutes to play in the game and appeared to have a win.

Jim McKee scored the tying goal for Enoch at 17:13 while playing shorthanded and Pat Sereda popped in the winner with 1:18 left to play.

Veteran Jim McComb in

his fourth year with the Bruins scored a pair of goals Sunday including the winner in the Bruins 7-5 win.

Other St. Albert goal scorers were Gord Gerlach, Don McDonald, Bernie Bronson, Ken Day and Geoff Holden.

Bruins will be in Leduc this Friday for a very important game and won't be at home until Tuesday, February 10 against Westlock.

Lister's 5 goals lead Generals to pair of wins

Hard working Matt Lister scored five times last week to pace the Standard Generals to a pair of wins in Central Alberta Junior League action.

MATT LISTER

Last Thursday Lister scored four goals including the winner with less than two minutes to play in an exciting

crowd-pleasing 9-8 win over Wainwright Bisons. Generals have now won five straight over the Bisons, coached by former Oiler star Ross Perkins.

Saturday night Generals travelled to Barrhead and came home with a 7-5 win as seven different players scored goals including Lister.

Sunday the team made the long bus trip to Hinton and lost a close 5-4 game after being down 4-1 at one time.

Generals are now in sole possession of sixth place in the 11-team league, four points ahead of Jasper Mountaineers who have played two more games than the Generals.

The game with Wainwright saw the Generals take a 4-1 first period lead on a pair of goals by Lister, with singles going to Roger Meunier and Lloyd Olson. Generals made it 6-1 on

two more by Lister before Wainwright started to get untracked. By the end of the second period Bisons had scored four goals and were back in the game.

Garry Ferguson and Pat Frewer scored in the first minute for St. Albert and gave Generals a 8-5 lead and appeared to be out of danger.

Bisons, as they have done so many times in the past, dug a little deeper and came back with three straight goals to tie the game 8-8 with four minutes left to play.

St. Albert outshot Wainwright 54 to 39 and took five of eight penalties in the game.

In Barrhead, Lister, Olson, Claude Regimbald, Scott Ballentine, Garry Ferguson, Steve Foreman and Roger Meunier scored for the Generals in their 7-5 win. Generals outshot Barrhead 33 to 27.

Sunday in Hinton, Generals fell behind 2-0 at the end of the first period although they outshot Hinton 14-6.

At the end of two periods Generals were behind 4-1 with Denis Gagne getting their lone goal.

Generals outscored Hinton 3-1 in the final 20 minutes on goals by Pat Frewer, Terry Kieser and Gagne's second of the game but couldn't come up with the equalizer.

St. Albert outshot Hinton 39-21 in a game that saw 29 penalties called including a pair of misconducts to Hinton. It was by far the roughest game the Generals had played in all year.

Generals will be on the road Wednesday when they play in Vegreville and will be at home Saturday and Sunday for a pair of games with Jasper Mountaineers.

Saturday's game goes at 7:30 and Sunday's at 3 p.m.

Two rinks in playdowns

This Thursday, two local rinks will hopefully be sweeping their way to a berth in the Alberta Curling Championships. Three rinks will qualify in this 16 zone competition, to represent Northern Alberta. The two St. Albert rinks, skipped by Bob McMaster and Hec Gervais, should stand a good chance of taking two places. If they do, they will go on to meet three rinks from South-

ern Alberta and two rinks representing the Peace River area, in a round robin competition for the right to represent Alberta in the Brier.

Curling with Hec Gervais are: Third - Ron Anton, Second - Willard Evans, and Lead - Bill Tainsh. Bob McMaster will be skipping: Third - Bob Williams, Second - Mike Rasberry and Lead - Gary Maxwell. Good luck!

Comet Hockey

St. Albert Comets senior hockey team will be in CFB Namao this Thursday for a game with the Trojans and Sunday, February 1st will be at home to Stony Plain

Eagles.

Comets are currently in third place in the nine-team Edmonton Central Hockey League.

OPEN HOUSE

Househunters look for the signs in St. Albert January 2 p.m. daily.

put the pressure on but some fantastic saves by General goalie Norbert Schulz held them scoreless until Lister scored his fourth of the game at 17:20 for the winner.

Short handed Mavericks show mettle

The dictionary describes mettle as having spirit - courage and that is exactly what St. Albert displayed in their game against Red Deer Saturday night in the south-eastern city.

Already missing a defenceman due to injury the roster was further depleted when their six foot left winger Dan Neveu and centre Bernie Joyal were suspended two games each for infractions in previous games. The first place Red Deer team is tough enough at the best of times but playing short-handed against them means almost certain defeat.

The St. Albert boys started out at a pace bordering on flying and took an early two goal lead only to have Red Deer fight back and go ahead 4-3 after one period. The

Mavericks lost the services of defencemen Garnet Clark in this period when he was hit in the ankle blocking a shot from the point.

The second period was also played at a terrific pace with both teams having 11 shots on goal. But St. Albert's Pat Poulin was the only one who managed to make one good and tied the score. This period was also costly as Troy Murray had to leave the game with a knee injury.

The Mavericks down to 10 skaters never quit and Dave Kreway put St. Albert ahead at the eight minute mark of the second period.

Ben Chabot and Todd Murray, the club's two goaltenders have been playing excellent hockey this year and although not much has been written about this pair a

large degree of this year's success must be credited to good goaltending.

The final home league game of the season will be played Sunday, February 1

at 10:15 a.m., when Red Deer comes to town.

Balers win shortest game of season

BALERS BEAT CLOSEST RIVAL

Following the 59 second game, Balers played an inspired Sherwood Park club and came away with a well earned 4 to 2 victory.

Scott Holliday, assisted by Kelly and Gray, opened the Balers scoring. Before the first period ended Ken Myck scored on a pass from Kelly.

Sherwood Park opened the period with a goal and the period ended 2-1 for the Balers.

In the second period it was all St. Albert as Mitch Poulin and Dean Clark scored unanswered goals. Assisting on these were Hunt, Myck, Kelly and Gray.

This gave the Balers a 4 to 1 edge after two periods. Goaltender Ron Malo was super in goal stopping 25 shots before being relieved by John Sexsmith.

In the third period Sherwood Park scored the only goal with less than five minutes to go. The Park pressed hard in the last five minutes, but some outstanding saves by John Sexsmith in goal preserved their victory.

Novelty Badminton tourney

The Sturgeon Valley Badminton Association will be holding another novelty tournament on Thursday, January 29 from 8 p.m. - 10:30 p.m. for club members. Names for partners will be drawn from a hat on the evening of the tournament and prizes awarded.

Please note that for the remainder of the season Badminton playing times will be as follows: Tuesdays and Thursdays from 8 p.m. - 11 p.m. at Vital Grandin School and Saturday from 2 p.m. - 4:30 p.m. for members and families at Vital Grandin School. We would like to remind you that children under Grade 10 age must be accompanied by an adult member on Saturday afternoons.

BALERS BREEZE BY ARDROSSAN

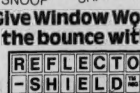

On Saturday the Balers breezed by Ardrossan by a score of 6-2. Danny Laplante scored twice for the winners with singles going to Kelly, Sander, Myck and Odinga. Picking up assists for the Balers were Hammett and Sander with two each. Singles going to Myck, White, Poulin, Hunt and Holliday.

The Balers conclude their regular season play this coming weekend - January 31 at the St. Albert Arena against Ardrossan. Game time is 11:45.

Old rivals break Barons win Streak

St. Albert Sportshop Barons' 17-game undefeated streak in Central Alberta Midget Hockey League play was snapped Friday, as Fort Saskatchewan scored two unanswered third period goals for a well deserved 5-3 victory.

The win moved the Fort to within five points of St. Albert, with each team having 10 games remaining, including two against each other.

The Barons, with a record of 13 wins, four ties and a loss, now meet Leduc in the St. Albert Arena 7:30 p.m. Friday, before travelling to Ponoka Saturday and Camrose Sunday.

The St. Albert midget reps will then meet Fort Saskatchewan again in the Arena 7:30 p.m. Thursday, Feb. 5, in a game that could well determine first place.

The 5-3 loss to the Fort followed a Thursday game in Ponoka which saw the Barons win a squeaker 2-1 with Paul McCann's goal with just 90 seconds remaining.

St. Albert took eight of the 13 penalties handed out in the loosely played contest.

CLOSE MATCH WITH FORT

Against the Fort, the Barons didn't play as well as they had the weekend before when they picked up a tie in the Fort, but still came up with the lead three straight times before the Fort rebounded with two goals midway through the third period.

The Barons showed they had the potential to beat the Fort -- a team they haven't

beaten in four years -- when they outthrustled and outplayed the Fort the weekend earlier but had to settle for a 2-2 tie when the Fort scored on a powerplay with just four minutes remaining.

But reckless penalties proved costly, and in the long run it could cost the Barons first place in the highly competitive league. St. Albert took 13 of 20 penalties called by referee Norm Tate.

ST. ALBERT RECREATION REPORT

From the St. Albert Parks and Recreation Department

SWIMMING CLASSES

Here's your opportunity to learn to swim in St. Albert at the Grandin Village Pool. Mondays 6 - 9 p.m. - Classes during the evening for teens and adults. Classes vary from beginners to advanced. Instructor - Pat Dobko.

Wednesdays 5:30 - 9 p.m. - Classes to include preschool classes, 5 - 7 years advanced swim, beginners, juniors and intermediates. Instructor Mary Jane Weirsmar.

Registration at the Grandin Village Recreation Centre, January 31, 10 a.m. - 12 p.m. Fee is \$10 for 10 lessons.

NORDIC SKI CLUB

St. Albert Nordic Ski Club will be offering a ski tour to Swiss Valley Sunday, Feb. 1. Orientation is at Sir Alexander Mackenzie School at 11 a.m. At that time car pools will be set up and trail

captains assigned.

Please note that the ski club is for beginners and novices. This provides an excellent opportunity for family participation. You are asked to bring your lunch. Swiss Valley Chalet will provide shelter.

Get together at SAM school on Sunday (1:30 p.m.) for countryside tour north-east of Boudreau Road Dobko.

FENCING

Try the sport that's centuries old! For fitness and fun, fencing is an excellent activity. If you're interested, why not register for classes this winter. Classes take place at Albert Lacombe School on Mondays from 7 - 9 p.m. Cost is \$35 (equipment and lessons) or \$10 for those who already have equipment.

PRE-SCHOOL SWIM AND GYM CLASS

There are still openings for the pre-school gym and swim at the Grandin Village Pool.

Cost for parent and child is \$15. Classes are on Tuesdays (two year olds) and Thursdays (three year olds) from 10 - 11:30 a.m.

PUBLIC SKATING

The St. Albert Figure Skating Club members are now well into the second half of the winter schedule. The senior skaters have quite satisfactorily progressed through two test sessions while the junior skaters have worked well towards their badge tests. Our skaters are now preparing for a busy February - two test sessions, a one-half hour demonstration

Please note that there will be no public skating Wednesday, February 4th due to figure skating tests at the Arena.

PUPPETRY WORKSHOP

at the Breakfast Lions Winter Carnival and a Free Style Competition.

December 3 Test Day Pass Results - Kristina Phillips - preliminary figure; Peggy Wylie and Jerry Joyal - first figure; Edith Hunt - bronze free skate; Gwen Grant, Leah Gramlich, Tracey Malinowski, Linda Fairfield and Cathy Duncan - Dutch Waltz; Gwen Grant and Sandra

Registrations are being accepted for children 6 - 12 years of age to take a one day puppetry class. This class provides instruction to the children on the making and presentation of hand puppets.

ets. Instructor is Mrs. G. Davis. Workshop takes place at the Arts Centre, Room 7 on Saturday, February 7 from 9:30 - 12 and 1 - 4:30. Cost is \$5.00.

St. Albert Figure Skating Club activities

January 7 Test Day Pass

Results - Karen Wilkinson, Laurel Coulter, Lisa Richmond - Dutch Waltz; and Linda Fairfield, Lisa Richmond - Canasta Tango; Sandra Davis, Shannon Mill - Ten Fox; Edith Hunt - Fourteenstep; Edith Hunt, Nancy Heaton - Fox Trot.

January 18 at Londonderry Arena, Edmonton, Sandra Davis passed her first figure test. We have good reason to be proud of Sandra for the excellent manner in which she represented St. Albert Figure Skating Club during this session.

February schedule for our senior skaters is as follows: on Wednesday, February 4 the test session will include preliminary to third figure tests, bronze free skate, preliminary and junior bronze dances. Thursday, February 12 the test session will cover senior bronze dances, junior silver dances and senior silver dances. All test sessions are open to the public. All events are posted at the St. Albert Arena as per Canadian Figure Skating Association ruling. Sunday, February 22, the Club has scheduled a St. Albert Figure Skating Club Members Only free skate competition from 1 p.m. to 4 p.m. Spectators are most welcome.

The annual Club carnival is scheduled for Saturday, April 10 at 7:30 p.m. and Sunday, April 11 at 2 p.m. Keep these dates in mind as we're sure you will find yourselves well rewarded as spectators to the excellent showmanship of some of our younger citizens.

Legion Curling results

St. Albert Legion took the Zone 1 playdowns in the Legion Seniors Curling competition in Calmar Saturday and Sunday, January 17 and 18. Skipped by Earl Brothen, his rink comprised of lead Lu Reaugh, Elmer Beisiegel as second and Bruce Wilson, third, he swept the playdowns handsly and brought

the Zone Trophy to St. Albert, defeating the seniors from Gibbons 15 to 10, then Leon Myler of Kingsway Branch by 12-5 in nine ends, and Harry White of Fort Saskatchewan 10 to 5 also in nine ends.

Earl was narrowly defeated by Harry White last year at the Fort, to lose in the

Royal Canadian Legion curling, with the competition going on to the Dominion Championship.

In Legion Seniors curling, rinks must be composed of seniors of age 50 or over with the aggregate age not less than 210 years. The aggregate age of the St. Albert Legion entry totals 228 years.

Porowski-Anderson represent Zone

The past two weekends, the St. Albert lady curlers have been immersed in the Zone and District Playdowns. The Club was well represented with the Bunny Porowski, Anita Hunter, Doi Lait, Shirley Fisher, Nancy Whalen, Betty Fenton, Kay Savill and Marilyn Johnson

rinks playing in the Ladies' Division, and the Betty Anderson and Vi Tetreau rinks in the Seniors.

Bunny Porowski and Betty Anderson emerged as Zone winners.

Specialists at the Ottewell were treated to some excellent curling in the District playdowns. The Porowski

rink curled well, but went down to a close defeat by the Pat Ewasko rink. The Anderson rink went right down to the wire - winning the B section - but were eliminated in the finals by Hadie Manley.

Personnel of the Porowski rink were: Lois Newman, Marilyn Woyluk and Marilyn Moore - while Edie Villetard, Theresa Jackowich and Olga Komarnisky supported Betty Anderson.

AROUND TOWN

Gary Peterson of 165 LaRose Drive, and his friend Kevin McMann, phoned The Gazette on Thursday, January 22 to report the sighting of a UFO. Gary said that he was looking through his telescope at about 6:50 a.m.,

that morning when he noticed that an oval object moving through his field of vision suddenly stopped. The object was purple and glowing, and according to Gary it could have been seen by the naked eye.

JOE SAYS:

A BEAVER HOME CAN SAVE YOU TIME AND MONEY. THAT'S WHY MORE THAN 2,000 OTHER CANADIAN FAMILIES BUILT BEAVER HOMES IN 1975.

A Beaver Home is fast and easy to build because Beaver actually does a lot of the work for you. For instance, every Beaver Home Material Package includes precision, pre-built interior and exterior wall sections, each of which is numbered to correspond with an easy-to-follow construction plan. Fully engineered, factory built roof trusses are also fast and easy to install, and that helps reduce the amount of on-site labor required to build your home. So whether you do-it-yourself or hire a contractor, a Beaver Home can save you time and money. But remember, the more you do yourself, the more money you can save. Beaver offers you other important benefits too. Like service, selection, convenience and reliability. Beaver has them all! And that's why building with Beaver is such a wise move. After all, more than 2,000 Canadian families couldn't be wrong! Phone or write for more information and a free catalogue now.

Rural parents press to keep students in Thibault schools

After learning that the School Buildings Branch had earlier this month advised Thibault School Board to build only a 12-classroom community core school in Morinville, parents of rural children held a meeting last Thursday to determine what action should be taken.

Children in the rural districts around the town do not reside in Thibault School District and the six-core, six plug-in school proposed by the Buildings Branch would not accommodate these 80-odd elementary students who are presently going to school in Morinville.

Forty-seven parents attended the meeting although on short notice it had not been possible to contact all who were involved. A number of these parents later advised that they were in agreement with the objectives of the meeting, at which there was general agreement by all parents that they wished their children to continue attending Thibault schools.

Unanimous approval was given by the parents at the meeting to have their school taxes transferred from the Sturgeon School District to Thibault, if satisfactory arrangements, such as a tuition agreement, cannot be made

with Sturgeon School Division.

To date it has been impossible for Thibault to get a tuition agreement with Sturgeon for elementary students attending Notre Dame and the Yellow School in

Morinville, and since January, 1970 Sturgeon School Division has been busing students to the two schools from rural districts Riopel, l'Abbe and Frontenac.

The meeting brought out the parents' reasons for

wishing to have their children continue in Thibault schools. They strongly stressed the importance of the community relationship which is lost if children are bused away, pointing out that it is much more convenient for both students and parents if children participate in social activities near home. It was also felt that parents are able to exercise more control over the children.

All parents stated that they wished their children to spend as little time as possible on a bus, and most wanted voting rights in school affairs, only possible through transfer of their school taxes.

The majority of parents wanted French instruction from kindergarten through Grade 12 and religious instruction as offered in Thibault schools.

ANOTHER ANGLE

In the meantime the Alberta Housing Corporation has informed the Senior Citizens Management Committee, through Chairman Father Primeau, that if a seniors lodge is approved for construction in Morinville in 1976, then their real estate division would negotiate for the purchase of the four-room Yellow school and land for a Seniors Rec Centre.

On Monday the former Minister of Education, Mr. Lou Hyndman and the present Minister, Mr. Julian Koziak and MLA Ernie Jamison met to discuss the school situation and it was resolved the Minister Koziak and Mr. Jamison will meet with the School Buildings Branch on Friday, January 30th, to try and resolve the long-standing difficulties.

Convenor visits Calahoo WI

By Liz McLeod

The regular monthly meeting of Calahoo Women's Institute was held January 21st at Mrs. J. Emma Dalheim's home with 14 members and distinguished visitors present.

Mrs. A. C. Krizinger, our constituency convenor attended the meeting.

After the opening formalities, the minutes were read, followed by the treasurer's report and then in the correspondence letters were read from A.W.I. President Mrs. Betty Ballhorn and one on handicraft.

There were two items that

had to be resolved at this meeting and they were, what type of function would we have on the date booked at the arena on February 28th, and what to do regarding sending off the material for the Calahoo History.

At this point we were pleased to have Mrs. Krizinger, who is always a joy to listen to, address this meeting and speak on "What its like to be a Constituency Convenor."

Besides her lively wit and humor, Mrs. Krizinger gave us food for thought and also informed this group of the upcoming handicraft tea to be held in Darwell this year with a supposed date of June 16th.

After this pleasant interlude this gathering had the pleasure of meeting Mr. Dick Huber, representative for Intercollegiate Press Winnipeg, who arrived right on time at 3 p.m., to let us know of ways in which to send the material to press. By press time the Calahoo History material will have been sent out for printing. A major accomplishment for this WI and especially for hard working Mrs. K. Mary Dalheim.

Now we can work at ways to raise the necessary monies to cover costs.

Just a little reminder to any who haven't yet ordered a book, there will be just 1,000 books printed so if you still want one please send your order and prepayment of \$10 to Mrs. K. Dalheim, Onaway, Alberta, T0E 1V0.

In this group, when a member has perfect attendance for one year they receive an A.W.I. pin, or five years a A.W.I. spoon or ring. So it was with great pleasure that President Liz McLeod could present Mrs. Vic Betty Albrecht with a spoon for five years regular attendance. In fact come February's meeting Betty will have six years in.

Indeed we have most members that have perfect or near perfect attendance.

The Roll Call was answered by bringing used Christmas cards and stamps and Betty took these to be delivered to Mrs. Cross in Edmonton.

Mrs. R. Alice Schmermund won the door prize that was brought by Addie Thatcher.

Pleasant visiting during lunch followed with all singing Happy Birthday to Mrs. C. Lina Bergtreiser who also received a gift from her secret pal.

Visitors are always welcome.

Sturgeon to get more police protection?

The MD of Sturgeon could be getting more police protection if a proposed new RCMP building located south east of Fort Saskatchewan.

Although the proposal lies in the future and the Fort does not have to make a decision on any specific site yet, it is reviewing site

possibilities with the Edmonton Regional Planning Commission.

The ERPC has presented two site alternatives to Fort Saskatchewan council recently. One is a 1.38 acre site in the town, the other is west of Highway 15 with an area of 5.4 acres.

Calahoo sports

Calahoo Buggs, shaver team coached by Ken Coyes had a good weekend winning both games in the Calahoo Arena.

Saturday night the Buggs upset a team from St. Albert by a 8-2 score as Noland Horn scored four times. Todd Coyes added a hat-trick and Larnie Coutri got the other.

Sunday afternoon Calahoo beat Spruce Grove by a 6-1 count with Coyes getting three goals, Horn two and Bruce Patrick added the other.

Ken Berube was in goal for the Buggs and played well in both games.

The shavers next home game will be this Saturday at 1 p.m., when Morinville will be the visitors.

In bantam B play, coach Tom Fowler guided the Jr. Scorpions to a pair of wins.

January 15th the Scorpions scored a 4-1 win over Spruce Grove #2 on goals by Shaun

Muellman, Darcy Granger, Peter Gady and Dave Meunier. Tom Fowler assisted on three goals.

Saturday, January 24 Calahoo scored a close 4-3 win over Winterburn with Dave Meunier, Dale Toma, Darcy Granger and Don Fowler scoring.

CALAHOO SENIORS

In senior action the Scorpions lost a pair of games. Friday night Ron Perrott scored a pair of goals to lead Villeneuve to a 3-2 win over the Scorpions.

Sunday afternoon the Scorpions lost a 4-2 game to Legal and now find themselves in the basement of the Sturgeon Valley Senior Hockey League. They have games in hand on some of the clubs and must win all of them to ensure a playoff spot.

Get well wishes are being sent to Terry Bernard who

had an operation last week in the Westlock Hospital. Best wishes are also being sent to Mrs. Walter Singleton and to Mrs. Jack Burns who have both been spending some time in the hospital. They are home now and I hope feeling much better.

Mr. and Mrs. Robert Sutherland left this week, travelling by auto to Phoenix, Arizona, for a three month holiday. They were meeting Mr. and Mrs. Walter Poloway who left earlier this month and Mr. and Mrs. Laurence Fortier who always spend the winter months there. We know you must all be enjoying yourselves, but this year we aren't so envious of you over there lavishing up that beautiful sunshine because we've really been getting some pretty terrific weather here too. In fact, this week a local resi-

dent, Mr. Bill Locher, caught a pretty butterfly outside. What more can you ask for in January?

Boarding a jet last week, Mr. and Mrs. Claude Huot flew to Toronto to spend several days visiting with Claude's sister, Rachel and Barry Ford. They were thrilled to take in a hockey game between Los Angeles and Toronto at the Maple Leaf Gardens. They also had time to visit the hockey and sports Hall of Fame, tour the Ford plant, and take in a Boat show. Sounds like you had a great trip.

Bill and Angie Locher and family were happy to have a visit from his sister, Mrs. Judy Jamieson and her two children, from Jordan River situated on Vancouver Island.

The organizational meeting to form a chapter of the Alberta Fish and Game Association was held on January 15. Membership is now around the 30 mark but more members are urgently needed. A special invitation is extended to farmers to become members as the Association is concerned directly with looking after the rights of the farmer. A temporary executive was elected consisting of Pres. Jim Owen; Treas. Dave Cosh and Sec. Helen Robertson. A regular membership costs \$5 with associate memberships going at \$3. Members insurance affords a coverage of the member up to \$100,000 in case of accidental shooting of man or beast (domesticated). The next meeting will be held on February 12 at 7:30 in the Bon Accord Community Centre. Memberships may be obtained at this meeting or from Jim Owen, Dave Cosh, Ian Heiman or Norman Robertson. A special thank you is extended from the newly formed club to Mr. John Egliniski and Mr. Herb Lutz of the Edmonton Fish and Game and Mr. Jim Shewfell of the Sherwood Park Chapter for their generous donations of \$20 each to help the new club get on its feet. Dave Cosh, Helen Robertson, Jim Owen, Norman Robertson and Ron Potter all attended a workshop and seminar held in St. Albert over the weekend.

Jackpot Bingo on February 1st is \$300 in 56 numbers. Winner of the bonanza for January 25 was Annette Tupper and the jackpot consolation was won by Peter Siraughan.

SENIOR HOCKEY

Morinville Motors salvaged a 5-5 tie Friday evening (Jan. 23) in Legal on a two goal performance by Jack MacAskill and came within a hairbreadth of winning the contest in the final minute of play.

Legal Canadiens jumped to an early two goal lead until team captain O'Neil Chevalier broke the ice at 11:43 of the first act, on a set-up from Norm Bohl; Legal, however replied just six seconds later and the first period ended 3-1. The second

stanza saw Morinville score at 4:17 (Jack MacAskill's first, assisted by Richard Wright and O'Neil Chevalier) then Legal followed suit three minutes later which proved to be all the scoring for that period. The third period also saw Legal attempt to match the scoring of the powerful seniors; Carl Royan pumped one home at 4:11 from Rick Pugliese and Roger Chailfoux, Canadiens copied 43 seconds later to make it a 5-3 hockey game, where the score-clock froze until the last four minutes of the game, when Pugliese and Chailfoux again combined,

this time setting up Terry Maslyk. One and a half minutes later Jack MacAskill collected his second of the night, assisted by John Basilille and Norm Bohl, to tie the game.

Press time precluded results from Tuesday's game, Morinville Motors Senior hockey club next plays Friday evening 8:30 p.m., January 30th against the visiting Nmaoo team.

MINOR HOCKEY RESULTS

Cling Concrete Shavers (B's) edged Legal 2-1 Saturday on goals by Riel St. Laurent one of which was assisted by James Hansen. Mite B lost 4-0 to St. Albert on Saturday. Mite A beat Gibbons 6-1 in league action also on Saturday (Jan. 24) and emerged victorious in two exhibition matches, Barhead 4-3; St. Albert 5-3. Riskey Mulligan picked up three goals while Marshall Lalonde and Chris Bokenfohr divided the remainder, taking six apiece.

VILLAGE OF LEGAL NOTICE TO RATEPAYERS

The Assessors will be in the Village Office on Monday, February 9th, 1976 from 1 p.m. to 4 p.m. to answer inquiries in regards to the recent general assessment of land in the Village of Legal.

Agnes Montpetit
Secretary-Treasurer.

Sturgeon man heads Health Units Association

Mr. Lawrence Kluthe, chairman of the Sturgeon Health Unit Board was elected president of the Alberta Association of Health Unit Boards at the annual convention of the Association held at Glenrose Hospital Auditorium. "I believe I was something of a dark horse," said Mr. Kluthe, who was nominated by Jack Biggs from Big Country Health Unit in Southern Alberta. He replaces Emile Cammeart of Drumheller Board.

The Association embraces the 27 health units in Alberta and the Boards of Health of Edmonton and Calgary. Almost the entire province is covered by health unit services except some sparsely settled areas of the north, which come under a separate government service.

The first health units came into existence in the Foothills and Red Deer rural areas in 1931 with the objective of giving rural residents similar services to those offered in the cities. They have grown steadily since in municipalities and independent districts throughout the province, with Fort McMurray Unit the most recent addition.

At present the Association is looking into terms of reference to provide for planning in the various disciplines of public health, such as nursing, dental programs, communicable diseases, en-

LAWRENCE KLUTHE

vironmental matters, public health inspection, speech therapy, pre-natal and baby care, school checkups and home care.

The planning will be looked at in the context of present budget restraints said Mr. Kluthe. In May of last year an office for the Association was set up in Edmonton with Mr. Ernie Clark as co-ordinator of employee relations. Secretary-treasurer Mrs. Ann Lowther is in Drumheller but eventually the Association office will be organized in Edmonton. The convention restricted the health unit regions into north, north-central, south-central, south, and the City of Edmonton and City of Calgary. Each region is represented on the Association executive, along with the chairman, vice-chairman, and secretary-treasurer.

LEGAL LOCALS

By Connie Maurier

On Monday, January 19, there was a funeral service held for Miss Rosie Kozlowski who died on the 17th after an accident occurred while doing the farm chores. Officiating the service was Father Bissonnette and the arrangements were made by Pembina Memorial Chapel. After the burial a lunch was served at the Community Hall for the friends and relatives.

Crochet classes are starting February 10, a Tuesday, at 8 p.m. at the Recreation Centre. Anyone interested can register on the night of the first lesson. For further information call Mrs. Mabel Fredsberg (961-2533).

BAKE SALE - Saturday, January 31, from 9 a.m. - 4 p.m. at the Legal Co-op. This bake sale is sponsored by Club 60 Roses and donations would be very much appreciated.

Mr. and Mrs. Robert Mercier wish to announce the engagement of their daughter Debbie to John Brian McKenzie of St. Albert. He is the son of Mrs. Doreen McKenzie. Their wedding plans are set for the fall season.

Mr. and Mrs. Norman Mercier with their four children and Mr. and Mrs. Robert Mercier and their three children, flew down to the state of California for the Christmas season for a very pleasant tour. Among the many stops made they enjoyed Disneyland, San Diego Zoo, Marine Land and the Queen Mary Ship. They went up to Tijuana Mexico border.

It was Mr. and Mrs. Philip Mercier's 63rd wedding anniversary on January 21. Many of their children were able to be at their home, which they are still capable of managing, to help celebrate the special occasion. On the weekend Mr. and Mrs. Mercier received the company of Bishop Roy and Father Bissonnette. We wish both of them many more happy anniversaries.

HOCKEY RESULTS - The Juveniles played the Fort McMurray team this weekend. Saturday night the 24th they won 7-4 and on Sunday they defeated them again 10-3. The Seniors had a tie game with Morinville, Friday night, January 23. On Sunday afternoon they defeated Calhoun 4-2.

The Legal Oldimers tour.

namment results were as follows: 1st game St. Albert Toros 7 and Legal 4. 2nd game RCMP 8 and Morinville 3. 3rd game St. Albert Toros 9 and Morinville 3. 4th game RCMP 8 and Legal 1. The final game was the RCMP's defeating the St. Albert Toros with scores of 12-5.

Following the last game all

the players and their escorts met at the Recreation Centre to enjoy a supper served by the Oldimers' wives. Music and refreshments followed and everyone had a real good time.

Bishop Raymond Roy was very well received as a guest of honour at a banquet held at Club 60 Roses on Satur-

day. Many people then had the opportunity to meet with him after mass Saturday evening and Sunday morning. Bishop Roy also visited the senior citizens at the Chateau on Sunday. I'm sure he was kept busy and that many people enjoyed talking with him.

Get well wishes to Mr.

Patrick Charrois who recently underwent surgery at the Westlock Hospital.

Please do not hesitate to call me if you wish to announce any news. Remember I need your help to make an interesting column. Call 961-3835.

Mr. Wilfred Demers passes at 73 years

The Reverend R. Bissonnette conducted Mass of Christian Burial for Wilfred Demers in St. Emile Church in Legal on Tuesday, January 20. Prayer services were held the previous evening in the church and interment was in the church cemetery.

Mr. Demers passed away January 17th at the age of 73 years. He is survived by two sons and two daughters - Adela Demers of Falher, Rene of Bonnyville, Mrs. Pierre (Irene) Aubin of Falher, Mrs. Raoul (Rita) St. Jean of Legal, one brother

Jean Demers in Quebec, two half sisters Mrs. Annette Jodoin of St. Lina, Mrs. Lucien (Merilda) Renaud of St. Paul, two half brothers Robert Gosselin of Prince George, B.C., and Narcisse Gosselin of Vernon, B.C. He also leaves 20 grandchildren and 16 great grandchildren. Pallbearers were grandchildren Gordon Carlson, Roland Bilodeau, Allan Swanson, Vernon Domsy, Jacques Aubin and Denis Demers. Ushers were Gerald St. Jean and Gerald Demers.

Old mill earmarked for historic site status

The remains of one of the first mills in Alberta about a mile south of Bon Accord on the Sturgeon River may be designated a registered historic site.

There's not much left on the mill now, built by the Lamoureux brothers and the St. Albert Mission in 1878. You can see part of the dam, the floor timbers of one of the buildings, cellar pits where buildings had been, and the outside edge of the floor timbers. Part of the site of the mill, which was used as a grist mill and also a saw mill, is now being eroded by the

Sturgeon River. During the time the mill was being operated, it was known as the "Moulin de St. Cristophe."

The mill was destroyed by fire in 1889.

It had considerable effect on the settlement of the Edmonton area and this is one of the main reasons why Minister of Culture Horst Schmidt intends to have it designated as a historic site. Owner of the site Lee Potter has been informed that up to \$5,000 is available annually to cover one half the cost of the restoration.

Support for Morinville rail link

The Edmonton Regional Planning Commission told the federal commission on grain handling and transportation last week it believes the existing Athabasca subdivision rail network serves an important local purpose and recommended it be retained and guaranteed until the year 2000.

The commission heard briefs from the planning commission, Canadian National Railways and United Grain Growers.

The briefs dealt with the Athabasca subdivision line from Morinville to Athabasca.

ca, which is slated for abandonment.

United Grain Growers recommended that the line be kept as part of the permanent network from Morinville to Legal. Beyond that point, it was suggested that the line be protected from abandonment for a minimum of five years.

The commission moved to Barrhead for further hearings at the end of last week.
